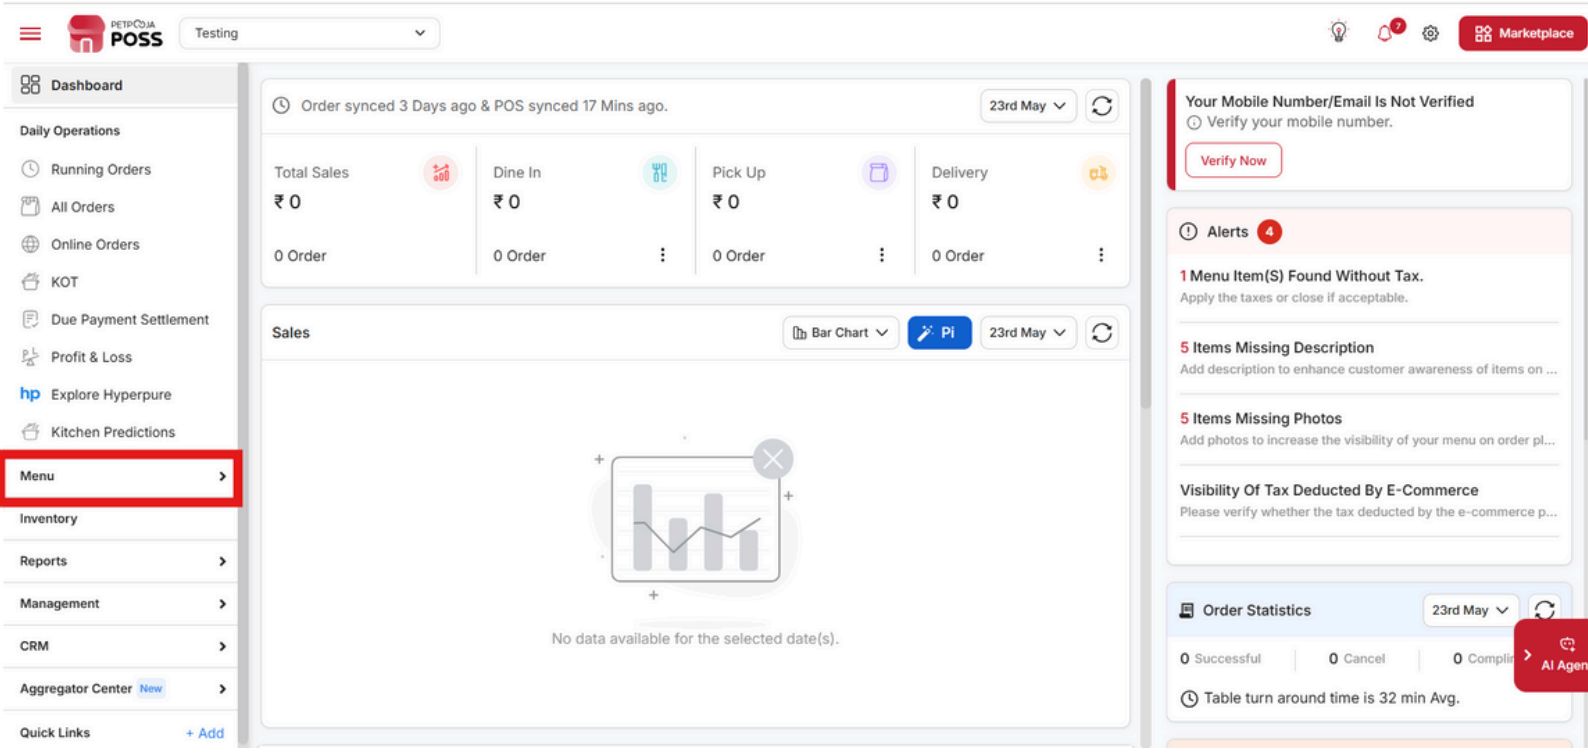
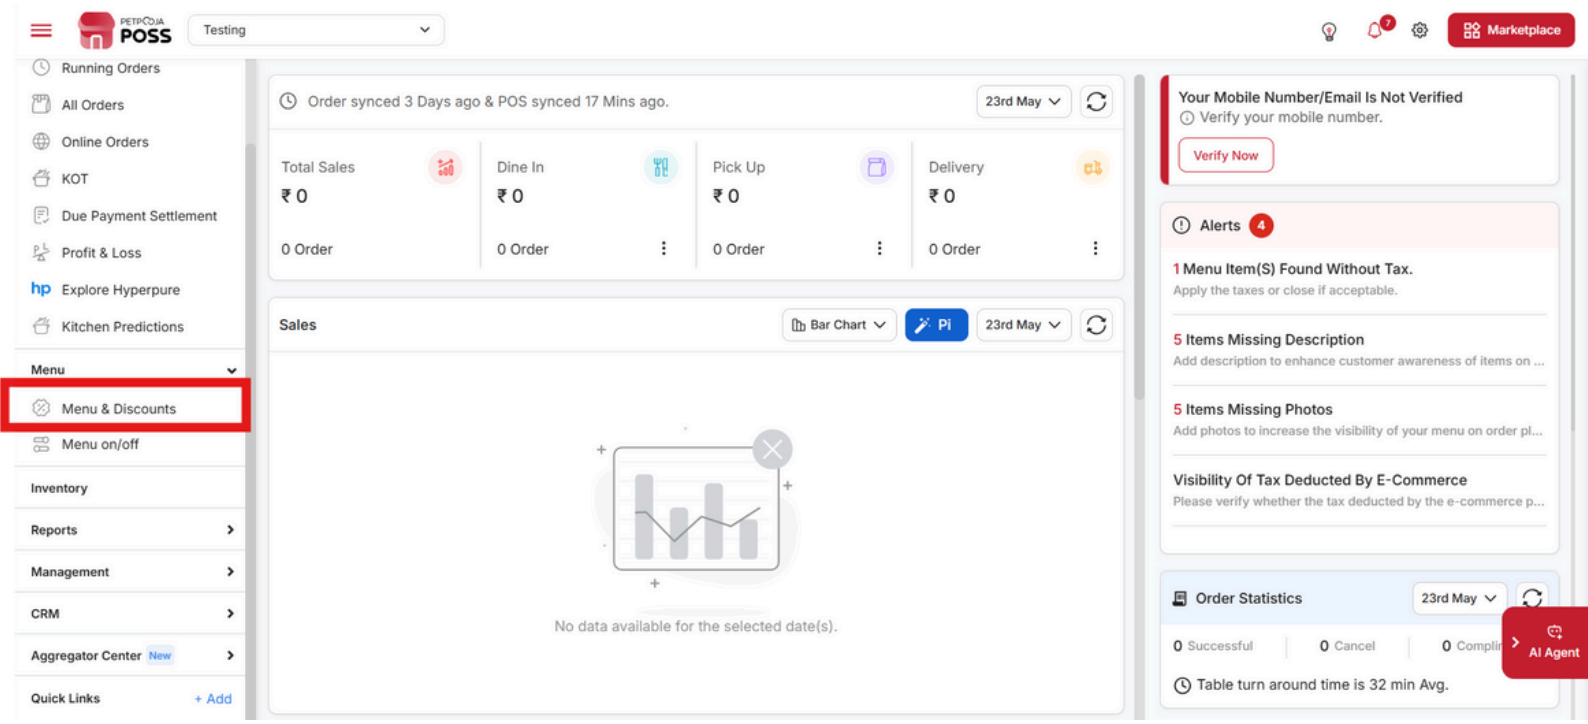
[1] Log in to your PetPooja account at billing.petpooja.com.

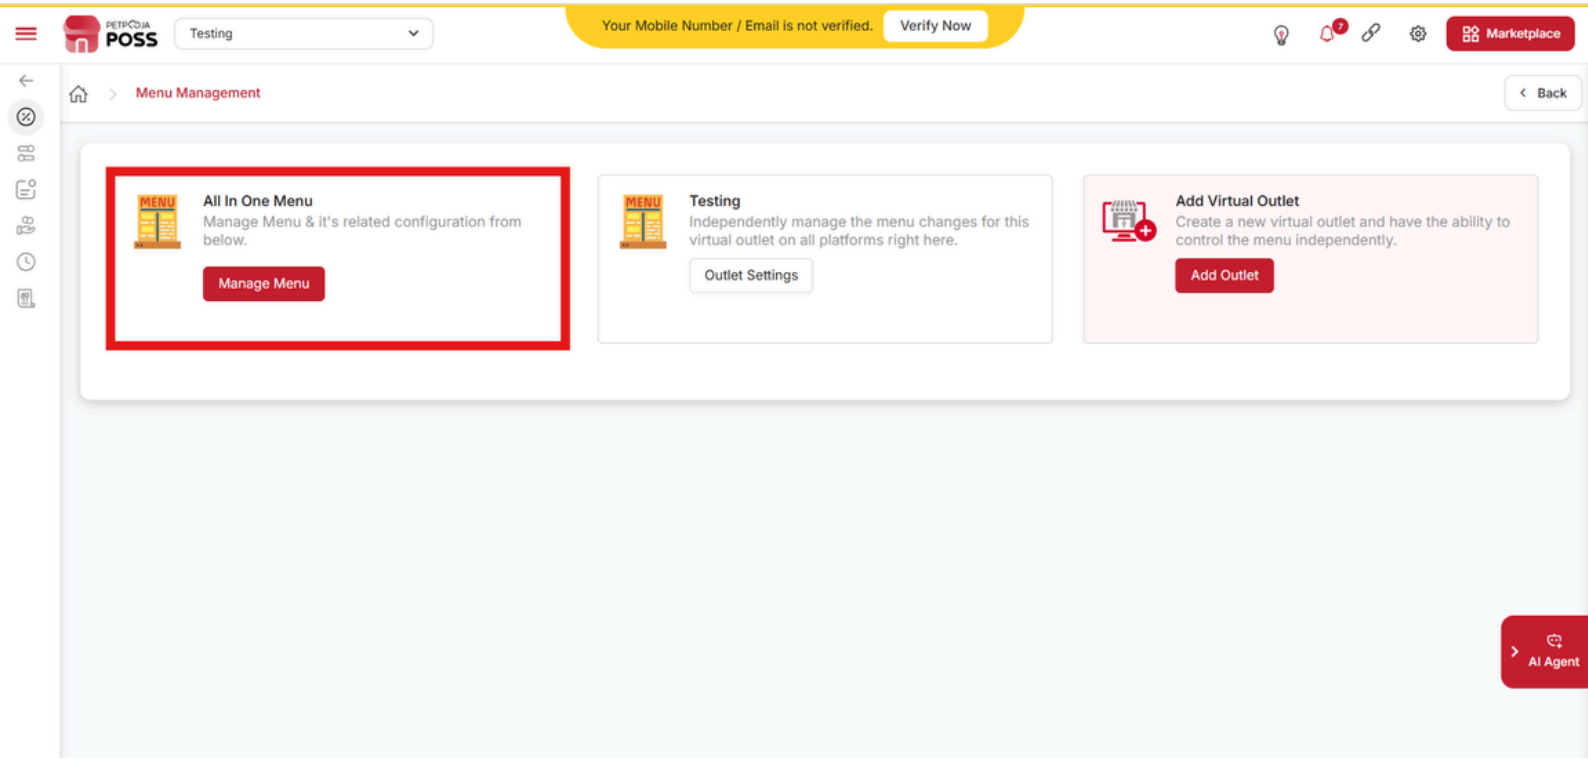
[2] - Click Menu button



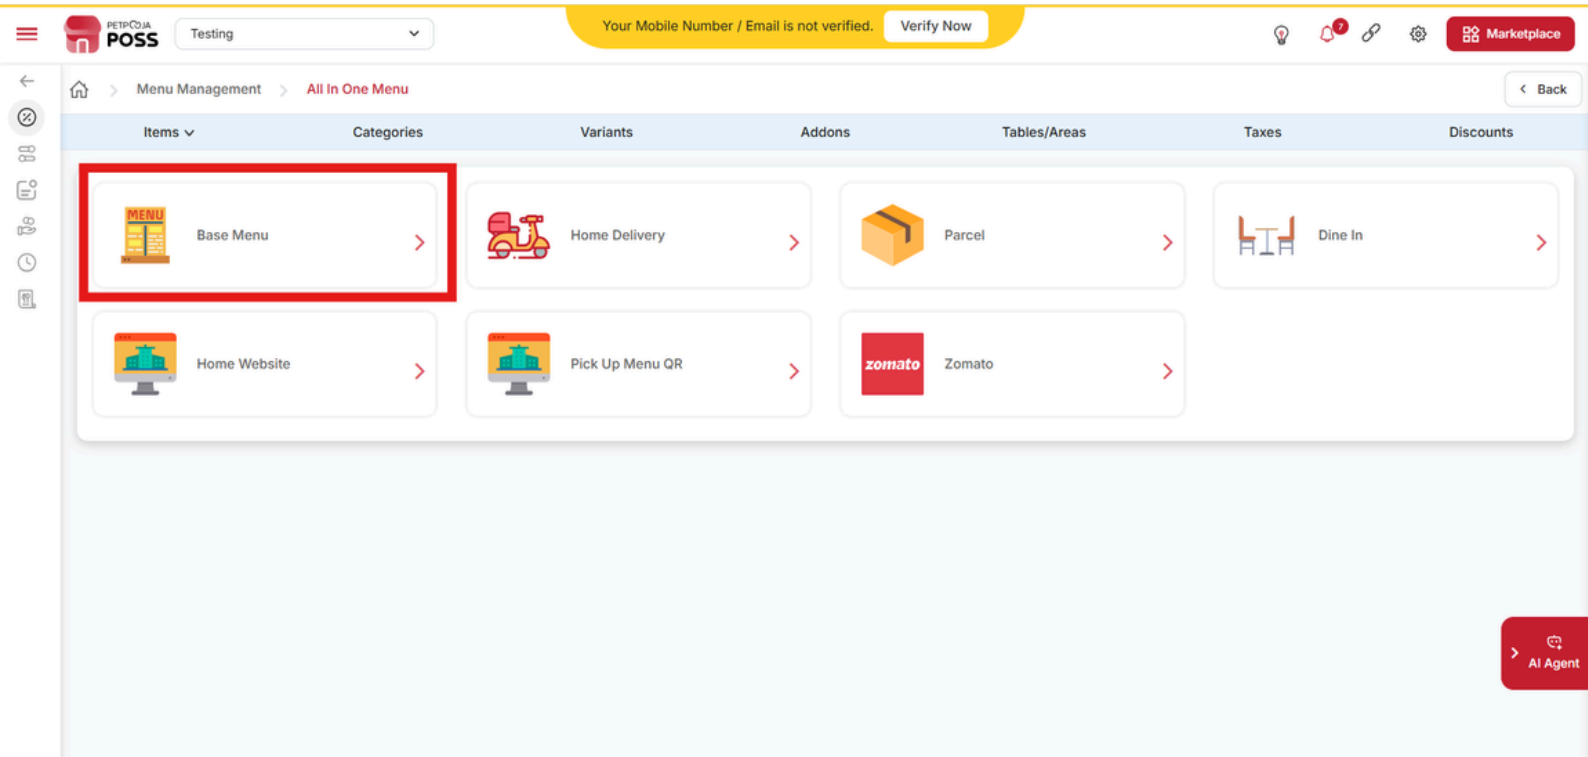
[3] - Click Select "Menu & Discount"



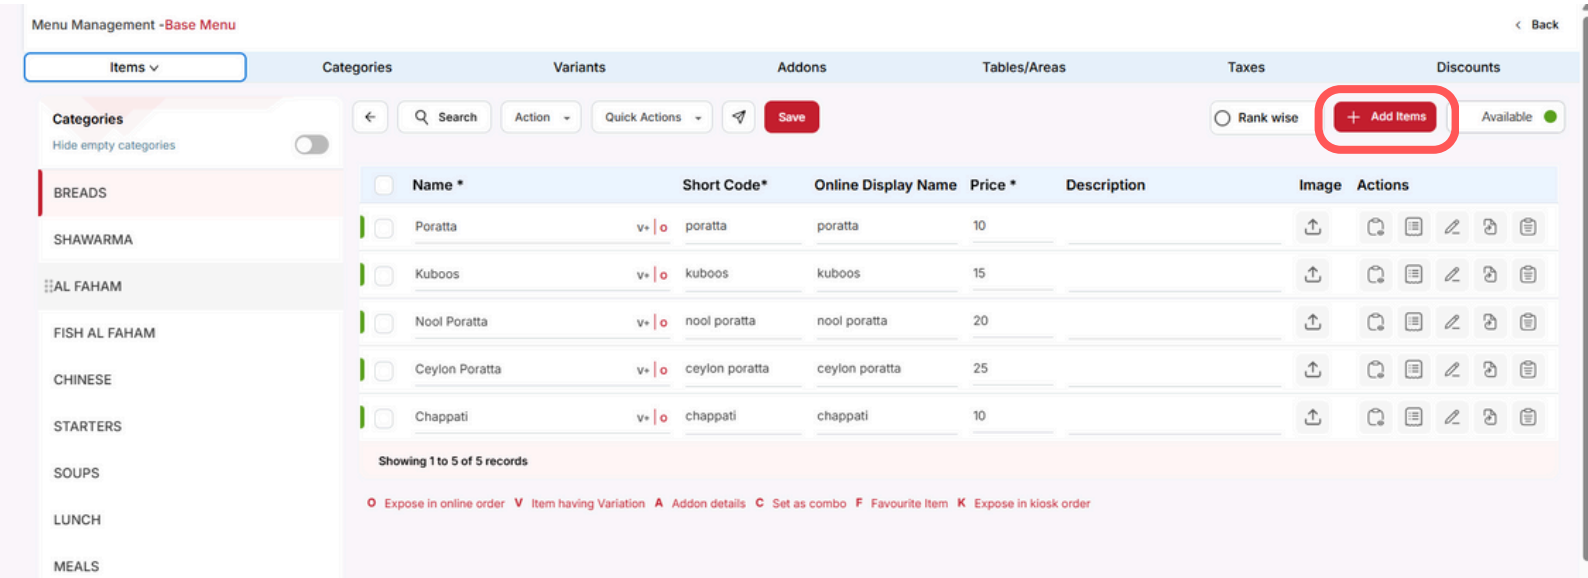
[4] - Click on "All In One Menu."



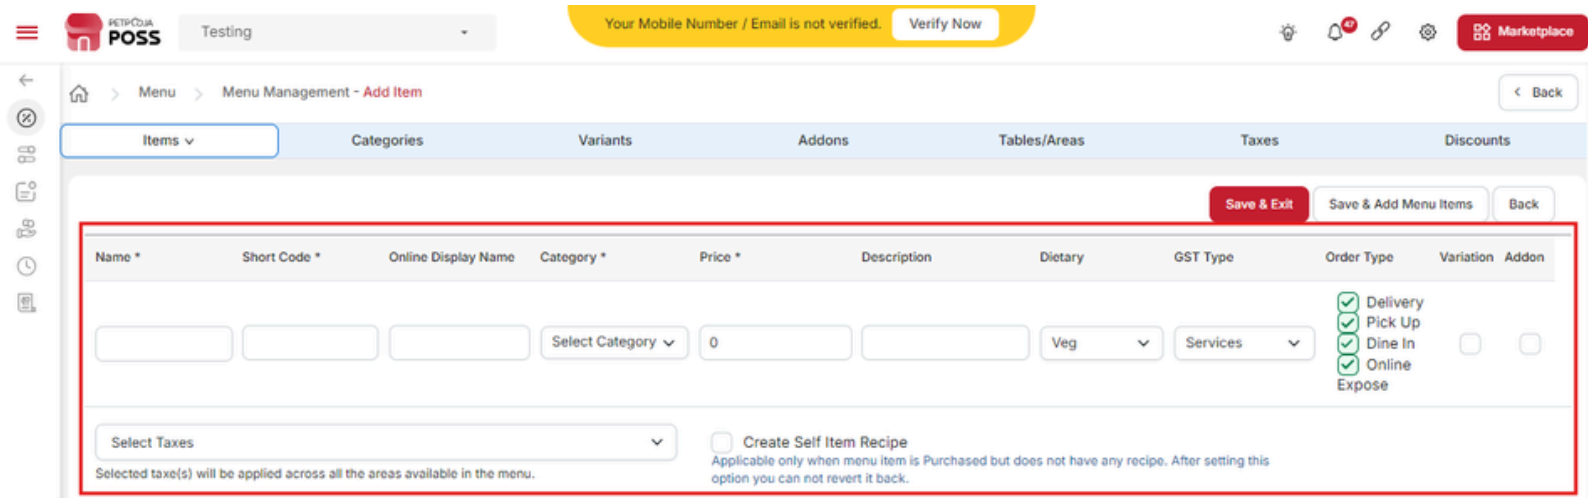
[5] - Inside "All In One Menu," click on "Base Menu."



[6] - Click Add Item Button



[7] - Click on the grid to open the item addition form



[8] - Fill in the required details:

- Name (*): The name of the item as it appears in the menu.

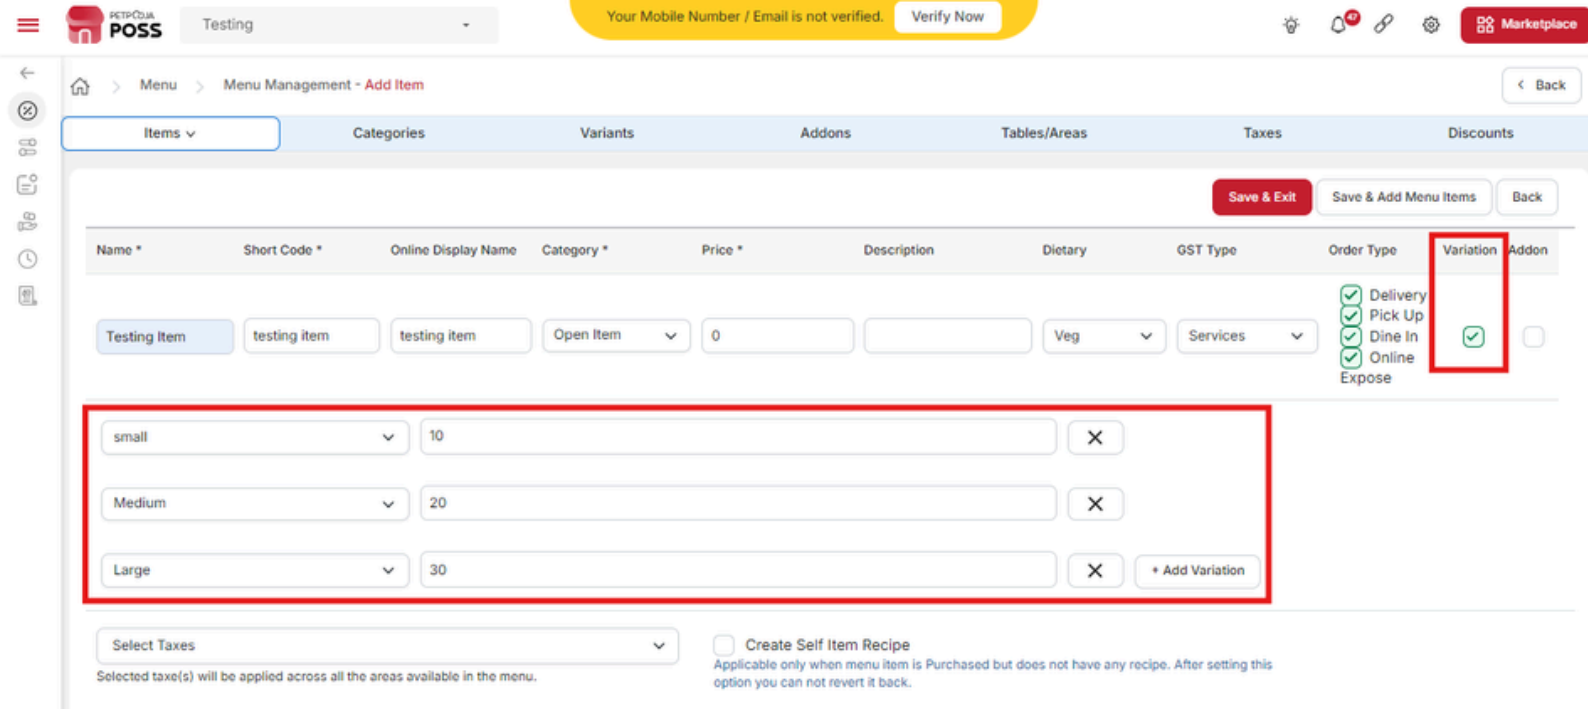
- Short Code (*): A unique short identifier for the item.

- Category (*): The section or group under which the item falls.

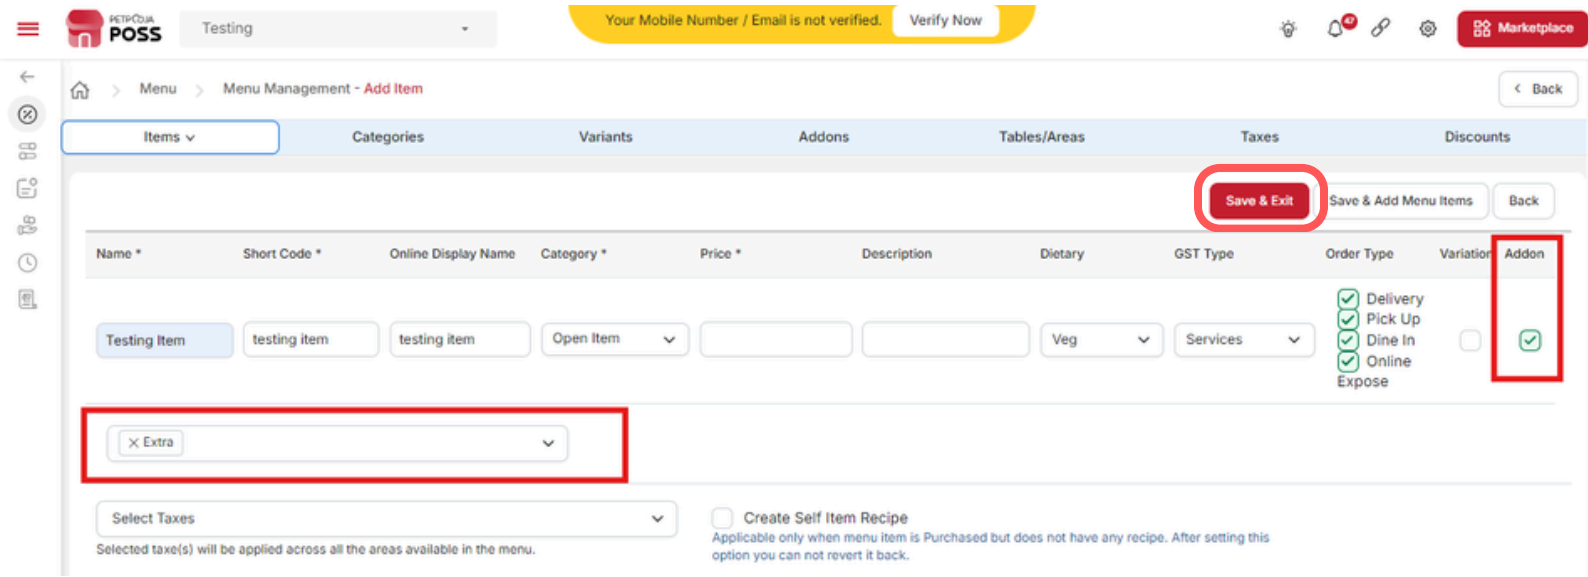
- Price (*): The selling price of the item.

- Description: Additional details about the item.

- Dietary: Information related to dietary preferences or restrictions.



[9] - Once everything is added, click on the <u>Save & Exit</u> button.



[10] - The item you added will appear as inactive in the Dine-in, Swiggy, and Zomato sections. Please activate the item, sync the menu, and then trigger the menu on Swiggy and Zomato so that the item starts showing online.
